VANITY CATALOGUE 2022

ABOUT US

For over 50 years, SOMANY's contribution to the tile market has been characterized by style, performance and innovation. This deep understanding of the market and experience have been used to create our Sanitaryware & Bath fittings range.

We began our journey in 2011 in the Bathware category. Till date, we have over 1,200 direct dealers and distributors across India.

The Sanitaryware & Bath fittings range from SOMANY offers comprehensive and classy washroom solutions. Each product in the range is crafted to cater to those who appreciate style and fine design. Designed to soothe and stimulate the urbane and sophisticated, the styles range from contemporary to neoclassical.

Our Sanitaryware products are manufactured in Morbi, Gujarat and Bath fittings in Derabassi, Chandigarh. Our sanitaryware plant, spread over 88,000 square meters, is one of the largest in the region & churns out 1 million pieces annually. It is also the single largest producer of one-piece toilets in the ceramic hub. On the other hand, our Bath fittings factory, spread across 2,200 square meters, has a yearly production output of nearly 1.5 million units.

Despite being one of the leading tile brands in India for 50 years and counting, we strived to push deeper into the home solutions category. Please join us in discovering our painstakingly crafted products in this catalogue.

Furthermore, our exquisite range of products is available across our network of state-of-the-art showrooms at SOMANYGrande, SOMANYExclusives, SOMANYBath Studios and also at our various dealer counters.

DESIGNS THAT MIRROR YOUR STYLE.

Our Vanity range of bath furniture reflects your tastes in perfect style, with smooth lines and designs that add just the right amount of oomph and glamour to your bathrooms.
